4. Clean up after yourself.

The cafeteria is a place where courteous behavior is practiced. Here each student is expected to practice the general values of good manners one would follow in the home. For minor infractions which occur on the way to the cafeteria, in the cafeteria, or returning from the cafeteria, Yorktown Elementary School Staff may assign students to lunch detention. Students may be assigned lunch detention for a designated number of minutes or for the entire lunch period depending upon the infraction. For students who repeatedly commit cafeteria infractions, detention time accumulates. Cafeteria behavior is one of the areas that is reflected in the students' overall conduct grade.

PLAYGROUND RULES
