To Parents, Students, and Staff:

I am pleased to let you know that Yorktown ISD is working hard to maintain compliance with the federal and state regulations concerning asbestos. Currently, Yorktown ISD is in compliance with all federal and state regulations. Should you desire to review the asbestos management plan for your child's school, a copy of the plan is available in the central administration office.

If you have any questions about the plan or this federally mandated program, please contact me at 361-564-2252.

Sincerely,

Deborah E. Kneese
Superintendent
