“Excellence in Rural Education”

June, 2010

Dear Citizens of Yorktown ISD:

The Yorktown ISD School Board extends its thanks to you for your support of our students and the district during the school year of 2009-2010.

The Yorktown ISD School Board has made a commitment to communicate with the constituents twice each school year. Following are those items that are important to share with each of you. First, Yorktown has received the Texas Assessment of Knowledge and Skills (TAKS) Preliminary scores. Those areas that the schools scored 80 or better are included below:

Extracurricular activities play an important role in the lives of our students. We had students advance in UIL literary events, FFA contests, volleyball, football, basketball, power lifting, golf, tennis, and track. Our teams and individual students did an outstanding job representing our school and community for the 2009-2010 school year.

As we ended the year, our students were recognized for their achievements at various banquets and ceremonies. It is always great to see our young people excel in their academic and extracurricular endeavors.

On June 4, 2010, thirty-nine seniors graduated in Wildcat Stadium. Congratulations to these young adults and best wishes to them.

The Board would like to thank the administration, teachers, and staff for their hard work and commitment to the children of Yorktown ISD. The Yorktown ISD School Board is committed to excellence for the children of this district and each Trustee is proud to serve you and our community and look for more outstanding achievements during the 2010-2011 school year.

Have a safe and restful summer!
