

From the Superintendent's Desk

By Deborah E. Kneese
Yorktown ISD Superintendent

For March, 2010

As we continue with spring activities, time seems to be in short supply. Our students are very busy practicing and competing, as well as, working to prepare academically for the future and for state testing in April. I want to thank the teachers for their patience during this busy time and I want to commend our students for continuing to represent our school and community in academics and in extracurricular activities. I know the balance is sometimes difficult; however, by working together we can provide our students with great memories and great academic opportunities and achievements.

Remember that two of the greatest de-motivators are as follows: Research shows that the single most detrimental action to employees is being very demanding and controlling of subordinates and the second greatest de-motivator is frequent criticism. Let's work together to help our children mature to be positive leaders and employees.

Good Luck to our YHS UIL Literary competitors who will participate in district competition upon their return from Spring Break.

Congratulations to our Yorktown Kitty Kat basketball team for a great play-off run! We are proud of you!!

Congratulations to the District Champion Wildcat basketball team! Good luck in the play-offs!!

Come out and watch our softball and baseball teams! They are working hard and playing well. Also, congrats to our tennis, golf, track and power lifting teams representing YHS and our community with continued success!

Continue to check out our website for the latest in schedules and activities for Yorktown ISD!!

Go Wildcats and Kitty Kats!
